PROPOSAL OVERVIEW

Project Name

Total Budget

Request Amount

What best describes the focus of your project/work or organization?

Select the one area that fits best or the area where you plan to allocate grant funds.

- Economic Empowerment
Promoting economic justice, financial stability and self-sufficiency for women including creating fair economic policies that enable employment to be a way out of poverty rather than another form of poverty.

- Leadership Development
Encouraging new leaders and existing leaders among women and girls through knowledge/skill acquisition and practice in ways that help them use their power to effect social change and promote the value of equity, social justice, self knowledge, personal empowerment, collaboration, citizenship, and service.

- Education
Building and strengthening systems to help women and girls increase their opportunities through education. Engaging communities by providing education/advocacy on issues that impact women and girls.

Type of Request Project Operational support Other, please explain.

Describe the project/work related to this proposal. Include the people/communities involved and partner organizations, if any. Limit 300 words.

If this is an existing project/work, how long has it been in place? Provide the starting month/year and provide the length of time in months/years. Limit 300 words.
Disregard this question if this is a request for operational funds.

Is this a multi-year request? Yes No
Please skip this question if this is a request for operational funds.

Start and End Date

If this is a multi-year program, what year are you in and what is your plan for the future? Include your sources of income (current and potential) toward this specific program/project for the next year. Limit 300 words.
Disregard this question if this is a request for operational funds.

If this is a request for operational funds, please provide information relating to the organizational programming and/or services. Limit 500 words.

Results/Outcomes

Which indicator best applies to your proposed project/work or organization operational mission?

Shift/Change in...

Attitude/Definition

The issue being addressed is viewed differently in the community.

Behavior

People in the community are behaving differently.

Culture/Engagement

People in the community are more engaged in the issue this program/project/activity is addressing.

Policy

Specific organizational, local, regional, state or national policy or practice has changed or is in the process of changing.

Current Position is Maintained

Earlier progress on the issues the program/project/activity is addressing is maintained in the face of opposition.

State how this indicator best applies to your proposed project/work and what is the desired outcome from this. Limit 300 words.
